- Buy Recycled Guide
- Monitoring Tool

The screenshot displays the 'Recycling Action Yorkshire Procurement Toolkit' web interface. At the top left is the RAY logo (a green gear with 'RAY' inside) and the text 'Recycling Action Yorkshire'. To the right, the title 'Recycling Action Yorkshire Procurement Toolkit' is shown. Below this is a navigation menu with links for 'User Guide', 'Products', 'Data Reports', 'Feedback', 'My Details', and 'Logout'. The main content area is titled 'Buy Recycled Data Reports' and includes the following text: 'The Buy Recycled Monitoring Tool provides tailored data reports on Buying Recycled and is an innovative performance indicator for your organisation. Customise the reports by selecting the time period, the data options and use the drop down boxes to select your preferred data view. Then just press re-plot to generate your report. All reports can be converted into a print format and into PDF's. Use the data reports to measure and monitor Buying Recycled.' Below the text is a 'Data Options' section with three rows of controls: 'Timescale Year' with a 'Select Year' dropdown and a 'Go!' button; 'Timescale Month' with a 'Select Month' dropdown and a 'Go!' button; and 'Timescale Period' with 'Select Start Date' and 'Select End Date' dropdowns, a 'to' separator, and a 'Go!' button.

3. www.buyrecycled.info

The screenshot displays the website's layout. At the top left is the RAY logo (Recycling Action Yorkshire) and a navigation menu with items like 'Buy Recycled Homepage', 'Support', 'Programme Tools >>', 'Guides', 'Case Studies >>', 'Resources >>', 'Getting Started >>', and 'Feedback'. A central banner reads 'Buy Recycled' and describes the program's aim to increase recycled content in products. Below this is a 'News Feed' with three items: 'Canada - kitchen waste starts in Peel: largest programme roll-out to date', 'ACR+ drives European Cities and Regions towards waste prevention actions', and 'Don't WASTE this Opportunity - Final Chance to Enrol'. On the right, a 'Resources' section lists downloads such as 'Buy Recycled - Support', 'Buy Recycled Overview - Objectives and Policy Drivers', 'Why Buy Recycled - Everybody stands to gain', and 'Why Buy Recycled - Cost Comparison Table'. A 'Find recyclers near you' map is also visible. The bottom right corner features the slogan 'best buy for business'.

RAY

Buy Recycled

The aim of RAY's Buy Recycled programme is to increase the number of organisations buying recycled content products and integrating sustainable procurement into their everyday purchasing decisions.

Buy Recycled and you can save money and achieve long-term efficiency gains, it does not mean you have to compromise on quality, as many recycled products outperform their counterparts. You can enhance your reputation and differentiate yourself from competitors by buying recycled.

RAY will help you through the complexities of the recycled products markets. Buy Recycled has all the information you need, right here at your fingertips.
